SCHOOL CONCERT TONIGHT - CHOOKAS!

All students are very excited about performing for families tonight at the Geelong Arena starting at 6.30pm.

Mrs Jacobson has been working them through their concert paces over the term and we are now set to perform our ‘Tribute to the Musicals’.

Doors will open at 6.00pm and parents can issue their students into the floor area for supervision by teachers before taking their seats according to their ticket numbers. A program of the evening has been distributed on seats and is also in this issue of our newsletter and we will also include a copy on an alert so you can use your phone.

Students will remain on the floor area for the duration of the performance and will be collected by parents after the show. There will be no interval and we believe the show will go for approximately 80 minutes.

Students had a rehearsal at the Arena today to both practice and orientate them to the theatre environment. Mrs Thomson has some exciting background pieces made from students art work and Mrs Jacobson has once again included music performed live by students.

A lot of time and effort has been made by a lot of people to get this performance up and we hope families appreciate the effort. Lots of parents have helped with costuming, sets and props.

Mrs Jacobson has worked and coordinated very hard to give families a show they can be proud and we wish her the best. CHOOKAS EVERYONE!!

Celebrating National Tree Day & International Dot Day

In amongst making props for the concert, painting Clementine and drawing portraits for the Who’s Who portrait competition, several grades have been busy creating artworks to celebrate National Tree Planting Day as well as International Dot Day.

Grade 1H focused on Russian painter Wassily Kandinsky to create their mixed media circular trees. Grade 3/4B studied American artist Chuck Close to create their Chuck Close inspired Trees using soft chalk pastels. Grade 5/6N experimented with wire to create their beaded trees.

In other Arty news ... Clementine’s finished! She’s now super glossy and you’ll be able to see her at the concert. I am so proud of the 10 students in the Cow Club for their enthusiasm and efforts in painting Clementine. We celebrated by making milkshakes!

We are busy cooking for the preserves stall and need donations of sugar, red wine vinegar and white vinegar. If you can help, please toss some in the trolley next time you’re doing the grocery shopping. If you love cooking and want to whip up a batch of something special we’d love to hear from you. All donations can be left in the office and we will also happily accept whatever is growing in your backyard!

Sponsorship
A big thanks to all our sponsors from last year who helped us deliver a great event. Hopefully you have received our letter by now inviting you back on board for 2016.
If you are new to school or in a position to join as a sponsor we have range of packages available

BE QUICK AS ALL WINES WILL NOT BE AVAILABLE AFTER END OF THIS MONTH

ENVIRONMENTAL SUSTAINABILITY MATTERS

Challenge: Would linking up (some of) your children’s pocket money on their contribution to minimizing the environmental footprint of the household work for you and them?

Perhaps consider employing the children to become the energy and water police. Ask them to test the toilet for leaks by placing a dry piece of toilet paper inside the back of toilet bowl a while after the toilet has been used. If the paper remains dry the toilet does not leak. If the paper becomes wet your toilet leaks and needs to be repaired.

One drip each second adds up to 740 litres a month or $24 a year out of your pocket. Reminder: If faulty, a toilet never just drips one drop per second!

GROUNDFORCE

Groundforce will meet on Tuesday mornings during the term from 9am. See you then. Kirsty
Term 3 - Week 9, 8th of September 2016

Location change for 3 days!

Hi Families,

Next week painting and upgrades to the Multi Purpose Room are being made. This means that we are unable to run OSHC from there on the days the work is happening, so on Tuesday the 13th ASC, Wednesday the 14th BSC & ASC we will be operating from the Library and back in the Multi Purpose Room on Thursday. While we are in there we will only be doing quiet activities, reading, playing board games, drawing and colouring.

Holiday Club is filling up fast so be sure to get in now to avoid disappointment. We are off to the movies to see the Secret Life of Pets, the Werribee Zoo to look at the amazing animals and having a day filled with science experiments. Book in now for one day or every day, there’s something for everyone at Holiday Club.

We endeavour to ensure that all the information that you have provided us with in your enrolment is true and correct. If there have been any changes, address, contact phone numbers or people that you allow to pick up your children, it would be great if you could let us know ASAP. These are crucial details that we need to ensure that your child/ren’s emergency contact details are up to date. If any of these changes have occurred recently, please jump online and amend the details and please also let me know so that the details I have are correct as well.

If you know that your child will NOT be attending a session they have been booked into PLEASE ensure you give me a call to let me know, so that I am not chasing up children that are safely with their caregiver.

I encourage you all to enrol your child/ren with us in case of emergencies that are beyond your control to ensure that I have access to your child’s details if needed. To enrol your child/ren go to www.campaaustralia.com.au.

We have vacancies every morning and afternoon in O.S.H.C. Don’t hesitate to book your child/ren in today!

Cheers & Keep Smiling
